UNIVERSITY OF SOUTHERN CALIFORNIA
Research Nurse
Job Code: 185607

OT Eligible: Yes
Comp Approval: 8/30/2016

JOB DESCRIPTION:
Functions as a team member in the recruitment, assessment, treatment, data collection and follow-up for patients enrolled in a research study.

JOB ACCOUNTABILITIES:

*E/M/NA  % TIME

________ _______ Monitors patient's status throughout the study. Reviews and evaluates health status, lab findings and reactions.

________ _______ Informs physicians regarding patient's response to treatment and/or medications, adherence to protocol's schedule, need to reevaluate treatment and specific medical concerns.

________ _______ Interacts with patients and families to ensure study compliance, obtain information and provide emotional support.

________ _______ Manages data collection. Obtains, verifies, organizes, codes and enters data. Completes forms and maintains files.

________ _______ Performs basic nursing procedures such as phlebotomy, vital signs, and other tests specific to the study. May administer treatments specific to the study.

________ _______ Assists in patient recruitment. Explains study to patients and potential patients and verifies eligibility. Ensures that all applicable forms and other required paperwork are completed.

________ _______ Functions as liaison with patient's personal physician, other research studies, affiliated hospitals and other medical personnel.

________ _______ Schedules tests and follows through on completion and return of results.

________ _______ Collects and processes specimens for transport to laboratories.

Perform other related duties as assigned or requested. The University reserves the right to add or change duties at any time.

*Select E (ESSENTIAL), M (MARGINAL) or NA (NON-APPLICABLE) to denote importance of each job function to position.

EMERGENCY RESPONSE/RECOVERY:

Essential: ☐ No  ☐ Yes

In the event of an emergency, the employee holding this position is required to "report to duty" in accordance with the university's Emergency Operations Plan and/or the employee's department's emergency response and/or recovery plans. Familiarity with those plans and regular training to implement those plans is required. During or immediately following an emergency, the employee will be notified to assist in the emergency response efforts, and mobilize other staff members if needed.
